The best way to follow the Congress!
Dear Colleagues,

The 12th Congress of the European Union Geriatric Medicine Society (EUGMS) is going to be held in Lisbon, Portugal, from 5 to 7 October 2016.

Portugal, with almost 900 years of history is the oldest nation-state in Europe and Lisbon, its capital is the city located further west in Europe and it is located on the north bank of the Tagus river estuary, which flows into the Atlantic Ocean.

Both river and sea proximity, offers to Lisbon a very special mild climate and a unique light. The seven hills city is also known for the excellent cuisine, for its ancient and picturesque corners that contrasts between modern and cosmopolitan area.

Lisbon in the fifteenth and sixteenth centuries has become known by the Portuguese Discoveries, through its maritime port from where the caravels left and arrived to Africa, Asia, Oceania and South America, expanding Western influence by all continents and establishing an empire that lasted nearly 600 years.

The Congress theme: “Discovering new ways in the World of Geriatrics” has the goal to associate the pioneering spirit and the adventure of the Discoveries to the future paths of Geriatrics in the search for new knowledge that will enable to improve the older patients care.

It is with a great honor and pleasure that I would like to invite all of you to join us in Lisbon, the 5-7 October 2016, to participate in the 12th EUGMS Congress, we will work to develop an unforgettable scientific program with a unique environment, and exquisite opportunity to meet colleagues from all the European countries.

See you in Lisbon!

Yours sincerely,

João Gorjão Clara, MD, PhD
President of Congress Committee of the 12th EUGMS Congress 2016

Poster presentations are an important aspect of the EUGMS Congress programme. Each day Posters will be displayed in two Poster Areas, located on the first floor, inside Pavilion 5 and Auditoria Foyer. The audience will circulate among the posters, which are grouped together thematically. The Organizing Secretariat will provide the equipment to post them up. Poster boards are numbered. You will find the number of your poster board in the programme. The numbers on the poster boards correspond with the abstract numbers in the abstract supplement of the European Geriatric Medicine (EGM) Journal. Presenters should be present at their poster during the assigned poster session. The material can be attached to the poster panel with pins supplied by the organisation. For assistance please check with the poster desk.

**POSTER SESSION 1:** Thursday, October 6, h. 12.00/13.30  
Poster from P-001 to P-418  
Poster mounting: Thursday, October 6, from 08.00 to 10.00  
Poster removal: Thursday, October 6, before 18.00

**POSTER SESSION 2:** Friday, October 7, h. 12.00/13.30  
Poster from P-419 to P-873  
Poster mounting: Friday, October 7, from 08.00 to 10.00  
Poster removal: Friday, October 7, before 18.00

The poster area is open to all participants during the entire congress. The Best Poster Awards Ceremony will take place during the Closing Ceremony on Friday, October 7.

**SHORT ORAL COMMUNICATIONS**

50 Poster Abstracts have been selected for a short 3-minutes oral presentation (3 slides maximum). The selected Posters are marked with a * in the Programme.

Each day on October 6 and October 7 25 short oral presentations will be held in the Pavilion 5 Poster Area from 12:00 to 13:30.

**SHORT ORAL COMMUNICATIONS SESSION 1:** Thursday, October 6, h. 12.00/13.30  

**SHORT ORAL COMMUNICATIONS SESSION 2:** Friday, October 7, h. 12.00/13.30

EACCME ACCREDITATION

The “12th Congress of the EUGMS” is accredited by the European Accreditation Council for Continuing Medical Education (EACCME) to provide the following CME activity for medical specialists. The EACCME is an institution of the European Union of Medical Specialists (UEMS), www.uems.net.

The “12th Congress of the EUGMS” is designated for a maximum of (or ‘for up to’) 12 hours of European external CME credits. Each medical specialist should claim only those hours of credit that he/she actually spent in the educational activity.

Through an agreement between the European Union of Medical Specialists and the American Medical Association, physicians may convert EACCME credits to an equivalent number of AMA PRA Category 1 Credits™. Information on the process to convert EACCME credit to AMA credit can be found at www.ama-assn.org/go/internationalcme

Live educational activities, occurring outside of Canada, recognized by the UEMS-EACCME for ECMEC credits are deemed to be Accredited Group Learning Activities (Section 1) as defined by the Maintenance of Certification Program of The Royal College of Physicians and Surgeons of Canada.

CHAIRPERSONS AND SPEAKERS GUIDELINES

Speaker’s Ready Room is located in Pavilion 4, 1st floor.

Chairpersons and Speakers should be in their session room 10 minutes prior to the beginning of the session.

All speakers are requested to keep strictly to their allocated time.

Chairpersons should make every effort to avoid delays in the schedule.

However, if a speaker does not show up, Chairpersons should wait until the published time for the next speaker.

- MORNING SESSIONS: please proceed to the Speaker’s Ready Room the day before
- AFTERNOON SESSIONS: please proceed to the Speaker’s Ready Room in the morning

WE RECOMMEND TO PROCEED TO THE SPEAKER’S READY ROOM AT LEAST 2 HOURS PRIOR TO YOUR PRESENTATION.

AUDIOVISUALS

Each room will be equipped with personal computers for the video presentation. The slides should be prepared in Windows PowerPoint – not Macintosh / Apple. The presentations should be delivered on pendrive or CD-Rom. The presentations must be delivered by the speakers at least 3 hours before the afternoon session or the day before (not later than 6 p.m.) in the case of the morning sessions.

Speaker Ready Room staff will assist the speaker for any problem concerning her/his presentation.

POWERPOINT PRESENTATION INSTRUCTIONS

The version used at the Congress is Microsoft PowerPoint 2013 for Windows.

Any file (film, video or image) should be saved in the same data folder as the Power Point presentation.

If non-standard fonts are used (not included in the operating system – Windows 7 or sup., Office 2013 or sup.), please bring with you the files for their installation together with the presentation and hand them into the slide center, informing the technicians in due time (at least 3 hours prior your session).

If any video is included in the presentation, please make sure they are in the following formats: .avi, .wmv, mpeg.

We suggest .avi format for your videos, compressing it with the following codecs: DivX, Xvid.

ORAL PRESENTATIONS

Each Speaker will be allowed 7 minutes for the presentation followed by 3 minutes for discussion.
FREE WiFi
EUGMS offers free WiFi for all participants.
