

FALLS & FRACTURES - OPEN SIG MEETING: July 8th 2021

Dear Colleagues,

The EuGMS SIG on Falls and Fractures is glad to invite you to an online meeting to introduce The World Health Organization (WHO's) first ever technical package addressing the prevention and management of falls across the life course. Dr. Clemens Becker has been instrumental in this endeavor and will be sharing the outcomes with us. In the meeting we will discuss potential applications from both the clinical and the research perspective. Furthermore, we will take the opportunity to share and discuss the renewed objectives and priorities of the SIG.

The meeting will be held on Thursday July 8th 2021 - 6PM CEST -60 minutes-
WHO 'Step Safely' will be presented by: Clemens Becker
Session & SIG co-chairs: Nathalie van der Velde & Hubert Blain

So Join us digitally!

Be on time, mute your microphone when you're not talking and enjoy this moment with your colleagues!

Please notice that the meeting will be recorded and that the audio and video recordings might be used by the EuGMS for dissemination on the EuGMS website and social media.

Connection Details:

Please join my meeting from your computer, tablet or smartphone.
